Amend the bill by striking out everything after the enacting clause and before the summary and inserting the following:

‘**Sec. 1. 5 MRSA §285, sub-§1, ¶F-7** is enacted to read:

F-7. Any employee of a regional site of the Child Development Services System under Title 20-A, section 7209, if the group health plan is agreed to in collective bargaining and funds are available.’

### SUMMARY

This amendment replaces the bill. The amendment clarifies the provision that allows employees of a regional site of the Child Development Services System to join the State Employee Health Insurance Program as long as it is agreed to in collective bargaining and funds are available.
